* THIS IS THE MORTGAGE INTEREST ONLY, NOT YOUR MORTGAGE PAYMENT. MOST MORTGAGE COMPANIES SEND OUT AN ANNUAL MORTGAGE STATEMENT WHICH BREAKS DOWN PRINCIPAL VS. INTEREST

NOTE: Mortgage interest is only deductible for self-employed individuals. For employees claiming workplace in the home, mortgage interest is not an eligible deduction.

Although we do not require that you provide supporting documents, claims for employment expenses MUST be supported by receipts if requested by CRA. Failure to provide these documents to CRA on request may result in your claim being reduced or disallowed.
